Drivers Needed

A number of local non-profit organizations are in need of volunteer drivers for the needy families they assist. These organizations are NeighbourLink (519-352-5647), Family Service Kent (519-354-6221), the Canadian Cancer Society (Wheels of Hope 1-800-263-6750) and now Linck (formerly the Chatham-Kent Children's Services 519-352-0440). If you are newly retired or will be soon, volunteering your time to help vulnerable folks is very rewarding. Drivers will be compensated for their fuel costs. Thank you in advance.
